GSIS Intensive Course and Compulsary Course List (Academic Year of 2024）

Intensive Course

The following lessons will be intensive lectures for the mentioned major.

The date and time will be announced later in a notice. All the courses in this list are OPTIONAL.

Subject Name	Open Semester	Intended Department	Instructor	Schedule
Introduction to Time Series and Spatial Modeling	Fall	All Department	Shinsuke Koyama	undecided
Computer Science Fundamentals	Fall	All Department	undecided	12/16-20
Information Technology Fundamental	Spring	All Department	Kazunori Yamada Michael Zielewski	6/5.12.19,26 7/3.10.17
Mathematical Structures, Special Lecture	Fall	Computer and Mathematical Sciences, System Information Sciences	Shouji Yamaguchi	7/8-7/12
Mathematical System Analysis, Special Lecture	Spring	Computer and Mathematical Sciences, System Information Sciences	Garrigue Jacques	6/3-6/7
English Presentation	Spring	All Department	Steven John Bretherick	9/20,24-27
Hands-on introduction to cyber attacks and their countermeasures	Spring	All Department	Satoru Izumi Hiroshi Tsunoda KEENI Glenn Mansfield	9/14-15
Tough Cyberphysical AI	Spring	All Department	Kazutoshi Ohno	8/5-8/9
Internet and Information Security	Fall	All Department	KEENI Glenn Mansfield	undecided
Data Engineering （WEB course registration）	Spring	All Department	Kazunori Yamada BALADRAM M. SAMY	5/7.10.14.17.21
Data Science Training I （WEB course registration）	Spring	All Department	Kazunori Yamada BALADRAM M. SAMY	5/24.31.6/7.14.21.27.7/5.12
Data Science Training II （WEB course registration）	Spring	All Department	Kazunori Yamada	5/28.6/4.11.18.25.7/2.9.16.23
Data Science Programming Basics （WEB course registration）	Spring	All Department	Kazunori Yamada BALADRAM M. SAMY	4/16.19.23.26.30
Practical English for Data Science （WEB course registration）	Fall	All Department	Kazunori Yamada	10/3.10.17.24.31.11/7.14.21.28 12/5.12.19.1/9.16.23

◎ Courses marked with ＊ are "Common fundamental subject". ◎ Courses written in red will be "every other year ".

Compulsory Course

The following lessons will be conducted in respective course / laboratory. The lessons in this list are SELECTABLE COMPULSORY.

Subject Name	Open Semester	Intended Department	Instructor	Remarks
Seminar on Mathematical Structures	———	Computer and Mathematical Sciences		
Seminar on Computer and Information Sciences	———			
Advanced Seminar on Mathematical Structures A	———			
Advanced Seminar on Mathematical Structures B	———			
Advanced Seminar on Computer and Information Science A	———			
Advanced Seminar on Computer and Information Science B	———			
Seminar on Mathematical System Analysis	———	System Information Science		
Seminar on System Information Sciences	———			
Advanced Seminar on Mathematical System Analysis A	———			
Advanced Seminar on Mathematical System Analysis A	———			
Advanced Seminar on System Information Sciences A	———			
Advanced Seminar on System Information Sciences B	———			
Seminar on Human-Social Information Sciences I - III	———	Human-Social Information Sciences		
Advanced Seminar on Human-Social Information Sciences A I - III	———			
Advanced Seminar on Human-Social Information Sciences B I - III	———			
Seminar on Information Literacy and Education Design	———	Human-Social Information Sciences (LItNEX Course)		
Advanced Seminar on Information Literacy and Education Design A	———			
Advanced Seminar on Information Literacy and Education Design B	———			
Project Study on Information Literacy and Education Design	———			
Seminar on Applied Information Sciences I ・ II	———	Applied Information Sciences		
Advanced Seminar on Applied Information Sciences A I - II	———			
Advanced Seminar on Applied Information Sciences B I - II	———			
Advanced Computer Training *	———			
Innovation Oriented Seminar (on Mechanical Engineering) *	———	Computer and Mathematical Sciences, System Information Sciences, Applied Information Sciences		

* These courses are OPTIONAL.
